SECTION: F-4.2 - Youth Travel Policy

CURRENT WORDING:

New policy

PROPOSED NEW POLICY:

BCSSA is committed to ensuring that all participants when participating in BCSSA sanctioned activities can expect to participate in an environment that is safe both physically and emotionally. This includes group travel to and from events when that travel is a sanctioned part of that activity.

1. The associated procedures for this policy will apply when either BCSSA or member clubs are arranging group travel to or from events or when there is a commitment to care for the participants.
This policy and associated proceeds DOES NOT apply to privately coordinated travel between members.
2. This policy applies to planning for overnight stays and supervision while the participant is not on the field of play.
3. All persons working in the capacity as a chaperone must be in compliance with the Employee and Volunteer Screening policy.
4. Wherever possible, the Rule of Two should be followed. Parents and participants should be informed about the Rule of Two.

RATIONALE:

As part of our commitment to the Responsible Coaching Movement, we must have a travel policy in place.
