Nomination Process

Nominations are submitted through the [SSBC Awards page](#) through the online forms. Before submitting a nomination, please consult the award descriptions found on our website to ensure the nominee meets the eligibility and selection criteria. For reference, a list of previous recipients for each award can also be found on the website.

Please refer to the Awards Descriptions below for the specific requirements for each award. Speed Skating BC reserves the right to decline the Award in any given year.

Awards Descriptions

Builder

Evidence of development of the sport as a coach, athlete, official, volunteer, or administrator as we build a future of speed skating. This award can be given to an individual and/or a club. Some examples could be; Increased retention of athletes in a club because of a volunteer's activities. A coach's dedication to their athletes resulted in a significant increase in the number of PBs at provincial championships.

As a **Builder** we are: *“Who Members can rely on to build our sport by building on our successes. Whether it is the development and retention of our athletes, coaches, officials and volunteers or working with our clubs to support their development and growth, we build a future together.”*

Criteria: Nominations will be reviewed and compared to the objectives identified in the Builder description from the 2023-2027 Strategic Plan. Other factors will be considered such as Membership growth, Member retention, Club satisfaction, Member satisfaction, and/or Participation in developmental activities.

Deadline: March 3, 2024

Champion

We are who Members can rely on to generate awareness about the sport, promote the sport, communicate effectively, recognize excellence, and advocate for the sport and our members.

This award celebrates those who have achieved excellence either by championing speed skating or recognition of significant personal or club achievements. This award can be given to an individual and/or a club. Examples could be; An athlete overcoming adversity to achieve their personal goals. A Club creates new partnerships within their community that results in more people speed skating.

As a **Champion** we are: *“Who Members can rely on to generate awareness about the sport, promote the sport, communicate effectively, recognize excellence, and advocate for the sport and our members.”*

Criteria: Nominations will be reviewed and compared to the objectives identified in the Champion description from the 2023-2027 Strategic Plan. Other factors will be considered such as Social media statistics, Member satisfaction in communication and/or Recognition of members.
