

## Officials Development

### Accomplishments:

- 1) SSBC had 3 officials participating in international competitions this season. We had representation at the ISU World Cup #2 and ISU ST World Championships
- 2) We had 4 upgrades to Provincial officials and 31 Apprentice Provincial officials
- 3) We had 15 Young Officials go to BCWG where they participated in a multitude of roles and even had some interest from some of them to continue officiating in future seasons.

### Builder:

- 1) We put on 4 Provincial level clinics virtually this past season with an additional in person clinic presented to the Young Officials at BCWG.
- 2) We are putting on a Competitor Steward specific training this June in Richmond.

### Innovator:

- 1) ODC is working towards creating hybrid clinics to be utilized in coming seasons as we acknowledge the vast distances between clubs.
- 2) ODC continues to present our Apprentice Provincial clinics virtually multiple times in the season to provide access to all clubs and participants.

### Champion:

- 1) ODC presented the Ritha Johnson Official of the Year to Stuart Gibbs in his retirement year and the Regional Official of the Year to Jhenifer Pabillano.

### Opportunities:

- 1) More money in ODC's budget for Officials recognition.
- 2) More officials position specific training.
